

Register for a Booth at the Final Sale:

You may reserve your final sale booth space at the same time that you register for the Plein Air Art Festival. The Final Sale will be hosted by Mount Pleasant Estates, see attached layout. We will have space available in the Terrace Ballroom 1-69, in the Entrance Tasting Room (A- J) and a large number of outdoor spaces (you will need to bring your own tent if weather is inclement). Please indicate your first three choices for booth location. You will be contacted directly with confirmation of your assigned space. Spaces will be assigned in the same order that your registration form is received; on the off chance that all three of your choices are taken someone will contact you to let you know which spaces are still available.
